Killing me softly

Sign to the tune of "Killing me softly" by the Fugees

Lyrics: Túpac Amarú II

[Chorus]

Strumming my pain with his fingers.

Racking my life with his words.

Killing me softly with his guns.

Killing me softly with his guns.

Peeving my whole life with his
words.

Killing me softly with his guns.

[Chorus]

[Verse]

I heard him sing the anthem.

I heard he is a myth.

And so I came to see him,
and listen for a while.

And there he was this monster,
an ogre to my eyes.

[Verse]

I felt all flushed with fever,
no masks among his crowd.

I felt he got my country
and turned it upside down.

I prayed that he would finish,
but he just kept right on.
