# Killing me softly

[Chorus]

Am Dm  
Strumming my pain with his minions.

G7 C  
Racking my life with his words.

Am Dm  
Killing me softly with his guns.

G F  
Killing me softly with his guns.

C F  
Peeving my whole life with his  
words.

Bbmaj7 A  
Killing me softly with his guns.

[Verse]

Dm7 G  
I heard him sing the anthem.

C F  
I heard he is a myth.

Dm7 G  
And so I came to see him,

Am  
and listen for a while.

Dm7 G  
And there he was this monster,

C E7  
an ogre to my eyes.

[Chorus]

[Verse]

Dm7 G  
I felt all flushed with fever,

C F  
no masks among his crowd.

Dm7 G  
I felt he got my country

Am  
and turned it upside down.

Dm7 G  
I prayed that he would finish,

C E7  
but he just kept right on.
